Please complete the following table for each initiative.

School Name: RIVERSTONE HIGH SCHOOL

STW Coordinator: JULIE RIGLEY

	School Initiative
Key Result Area connection (background)	• KRA – Exploring Career Futures
Initiative outline	• Professional certificates and small thank you gifts to thanks our guest speakers and Work Experience Employers for their involvement in our transition programs • Hospitality for guest speakers
Who supports and organises implementation?	• The school executive and staff • J. Rigley organises implementation
Highlight student and/or school outcomes	• Employers feel appreciated and valued and welcome further students • Students leave Riverstone High School with knowledge and work experience of at least one prospective occupation. • They have a developed understanding of the requirements of the World of Work
2008 Enhancements	• Invite more guest speakers with the help of BREED • After difficulty attracting employers time to attend a business breakfast held very successfully in 2006 to thank employers – we would like to purchase small gifts with school logo etc instead and send out by mail with certificates of appreciation
2008 Financial allocation being applied for (budget)	• 100 certificates and gifts x $5 = $500 • Secretarial assistance – 1 day = $250 • (printing would be done at school, but quality card needs to be purchased) • Stationery and postage costs will be supplemented through school global budget funds
